Aaltoes

A person in a white t-shirt and blue jeans stands on a stage, gesturing towards a large audience seated in a modern, multi-level theater. The stage is lit with blue and red lights, and the audience is dimly lit. The background features geometric patterns and a large screen.

Aalto Entrepreneurship Society (Aaltoes) was founded in 2009 to boost entrepreneurship among university students – it ended up to create the startup ecosystem in Finland

We work as a **non-profit** organization and this is one of our core values

We are entirely **student-run** and all of our activities, including fund-raising, is done by the current student team

Most of the key team members end up starting their own startup after enhancing and getting to know the Finnish startup scene through Aaltoes

A photograph of a speaker on a stage addressing an audience in a modern theater. The speaker is a man in a white t-shirt and blue jeans, standing on the right side of the stage, gesturing with his hands. The audience is seated in a large, tiered auditorium, filling the left and center of the frame. The stage is dark, and the background features a large, colorful geometric pattern of triangles in shades of purple, blue, and red. The lighting is focused on the speaker and the audience.
