

mane

Europe's international network for higher education professionals

Sustainability Study Visit

Workshop outputs
from day 1

humane

Possible Themes

- S. \longrightarrow Heart?
- S \longrightarrow Strategy?
- Meaningful impact?

humane

SET PRINCIPLES / TARGETS

- WITHOUT THINKING ABOUT THE CONSTRAINTS
- AND WORK TOWARDS IT

UNIV → LEADING BY EXAMPLE

- AWARENESS OF SENSE OF URGENCY
- WITHIN A LARGER ECOSYSTEM
- HOW TO KEEP IT FUN?

Europe's international network f

humane

Group 1

① Set targets. Near enough good
* enough to start with.

② Lead by example! Act within
a larger ecosystem.

③ Using the credibility of univ's.

* CHANGE !!! * Sooooo difficult.

* If it is too visionary - is not
real.

→ Tone at the top

* PROXIMATE goals

humane

GROUP 2.

* Silos - un-coordinated initiatives.

Mainstreaming the message

→ Marketing & Positive Framing

let people formulate their
own goals \neq patronizing

Lead by example

* Showing courage to face
down "silly" criticism.

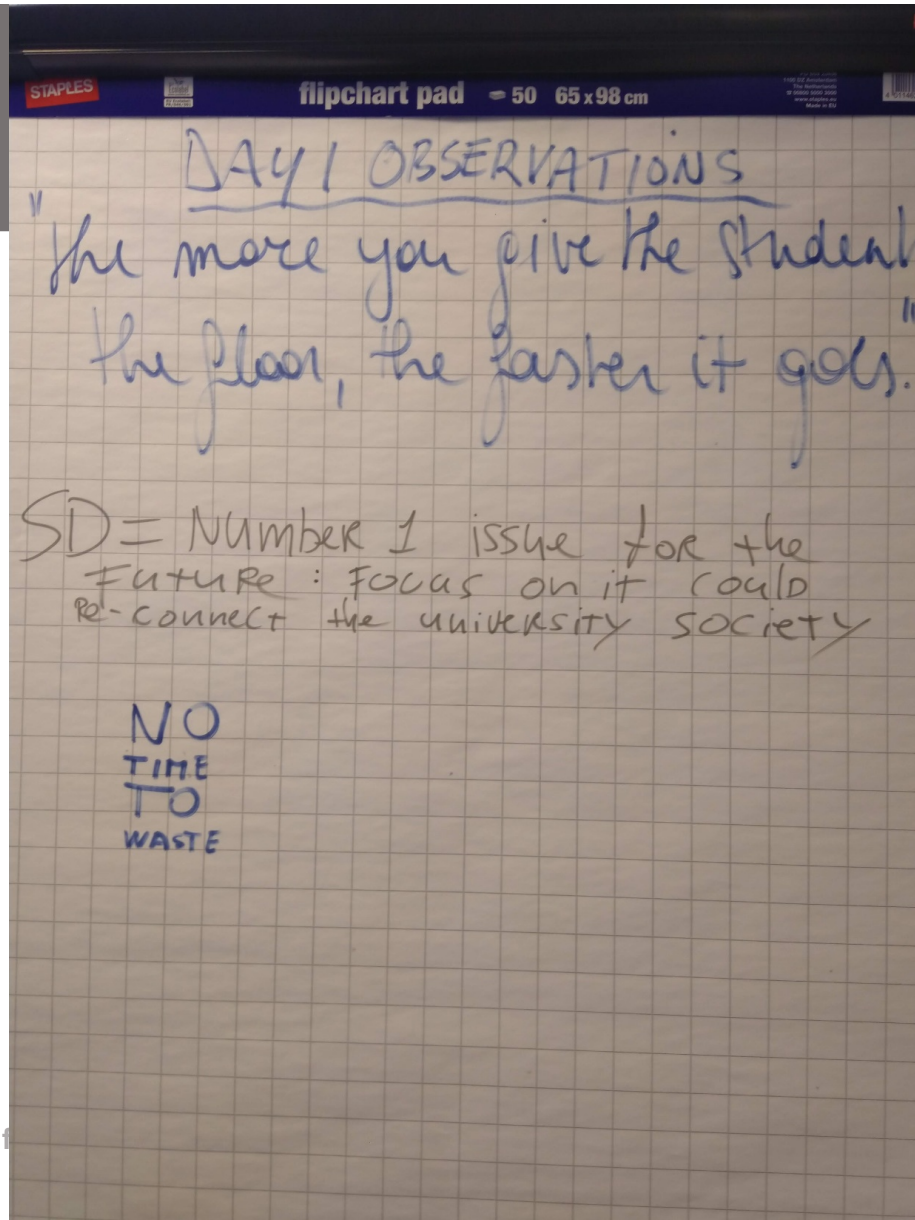

humane

GROUP 3

- ① Focus on the WHY.
↳ try to persuade
- ② The "Brain" and the "heart".
- ③ "Marketing" and "communications". =>
Needs to be part of the mix.
↳ link back to "credibility".
- ④ Unique "scope" of univ.
↳ celebrating success.

humane

Europe's international network for

humane

Day 1 Observations

- narrative on the mission/~~A~~ VISION
- don't let obstacles direct your strategies
- "You need pressure groups. If you don't have them you have to create them..."
Complacency vs. activism - ordered... ?

humane

Day 1 observations

CIVIC UNIVERSITY ☒
↳ SOCIAL RESPONSIBILITY

Take the leadership

The change^{ment} ^{attives where and}
^{and happens}
When the bottom-up approach meet the top-down
approach

Europe's international network f

humane

Day 1 observations

Create a platform for Students

Sustainability is an opportunity to reconnect
Universities with society and rethink their mission

Strong leadership is the key

Creating ~~big~~ buy-in for change.
