JUNCTION

Junction is all about developers – we bring together the most ambitious creators and top-tier partners to build and learn with the latest technologies. The projects built in Junction solve real-life challenges and have resulted in a wide variety of new business opportunities. Junction is not a gathering of casual coders. It's globally unique convergence of talent, technology and creativity.

Junction is a non-profit event organized by a community of developers, students and entrepreneurs.

INTERVIEWS

startuplifers

“Helping students realize their true potential.”

Startuplifers is a non-profit internship program that connects talented Nordic tech, design and business students and recent graduates with the most promising startups in San Francisco and Singapore.

By interning at awesome companies like Stripe, Coinbase, Webflow and Leap Motion, our Lifers are able to elevate their ambition and mindset, maximize their learning and join a community of the like-minded people.

KIUIAS

From idea to first revenue ...*And beyond.*

Kiuias brings ambitious founders together and provides them with the **best tools** and **support** to help build companies.

<https://www.kiuias.com/>

KIUA S

START

Length? 3 weeks

Stage? Idea / Prototype

Themes? Build, Sell, Iterate

Startups? 15-20 / batch

Industries? All

When? Mar-Apr, Oct-Nov

Turn your project into a company

An intensive 3-week pre-accelerator that is focused on validation, product development, iteration, sales, and various other topics that are important in the earliest stages of a startup's journey.

With program taking place during evenings and weekends, Kiuas Start is easy to attend also if you are not yet working full-time on your idea.

The program is completely free and zero-equity.

<https://www.kiuas.com/>

KIUA S

ACCELERATOR

Length? 9 weeks

Stage? Product / MVP / Go-to-market

Themes? Develop, Launch, Scale

Startups? 15-20 / batch

Industries? All

When? 3.7.-29.8.

Take your startup to the next level

Our flagship program Kiuas Accelerator (prev. Summer of Startups) is the go-to-place for your early-stage startup.

The 9-week program provides your team with a unique recipe for product-market fit, customer acquisition, growth, marketing, branding, team building, and scaling.

Kiuas Accelerator is completely free and zero-equity.
